   provided) and confirms such acceptance to the Bank by completing the Bank’s form of Appointment of Bankers and Mandate;

3. I/we agree that all agreements and authorities operate in all respects and where applicable in favour of Barclays PLC;

  processes);

5. the Organisation agrees to notify the Bank of any changes to beneficial ownership and/or financial control of the Organisation

Appointment of Bankers (Computer Banking)

Mandate A – For Companies, Charitable Companies, Limited Liability Companies, Limited Liability Partnerships and Corporate Trustees

Section 1

*Please delete as applicable

Organisation name: BLUE MOON TRADING LIMITED

Registered/Registered Charity/Registration Number: 924389

At the meeting of the Organisation’s Board of Directors/Members* held on 02/01/2015 (dd/mm/yyyy)

The Directors/Members carefully considered the terms of a form of Indemnity incorporated in the registration documents for the Bank’s computer banking services under which the Organisation holds the Bank harmless for losses, claims or expenses the Bank may incur as a result of the operation of bank accounts of the Organisation and third parties by System Administrators and Users of the computer banking services in accordance with current approval processes. It was noted that the Organisation authorises the Bank to debit to any of its bank accounts the amounts of any losses, claims or expenses arising under the Indemnity.

The Directors/Members considered the nature and scale of the liabilities to be undertaken by the Organisation and the commercial and financial consequences, direct and indirect, of executing or declining to execute the Indemnity so far as they might affect the Organisation.

It was resolved that:

1. The Organisation
   (a) register for any of the computer banking services offered by Barclays Bank PLC (the Bank)
   (b) confirm that this Appointment of Bankers (Computer Banking) is in addition to any other current Appointment of Bankers in the possession of the Bank

2. The Organisation accept the terms of the Barclays International Corporate Services Account Conditions (a copy of which the Bank has provided) and confirm such acceptance to the Bank by completing the Bank’s form of Appointment of Bankers (Computer Banking)

3. The Appointment of Bankers (Computer Banking) and authority contained in it operates in all respects and, where applicable, in favour of Barclays Bank PLC

4. Any two individuals named in Section 2a are authorised by the Organisation on its behalf to:
   (a) sign Indemnities in respect of the use of the Bank’s computer banking services for accessing the Organisation’s accounts and any other third party’s accounts which they consider to be in the interests of the Organisation from time to time
   (b) register the Organisation for the Bank’s computer banking services

5. Any individual named in Section 2b is authorised to act as System Administrator when using the Bank’s computer banking services

The Directors/Members noted that any of the System Administrator(s) acting in accordance with the current approval processes for the services would be responsible for amending the Organisation’s customer profile via the services which (amongst other things) determine:

- the accounts (in the name of the Organisation and third parties) that can be accessed by computer
- security procedures and the number of individuals required to approve each instruction issued to the Bank (approval processes)
- the individuals ("Users") allowed to use the services for making payments and other purposes (within specified limits)

The Directors/Members also noted:

- that the Bank is entitled to act on all instructions given by a User in accordance with the correct security procedures until the Organisation notifies the appropriate computer banking service that the User is no longer authorised to act for it
- any amendment to the standard Appointment of Bankers in the possession of the Bank will not affect the authority of the individuals named in Section 2 and any System Administrators unless separately notified to the Bank

Please now complete section 2.
