16. Q: Can you give your full address to the Commission in Abuja, Nigeria?

20. Q: What position do you hold at the ECOWAS Secretarial?

21. A: I worked as the Executive Assistant to the Vice President to the Commission.

22. Q: Who is the Vice President?

23. A: The Vice president is Mr. Edward Singhateh.

24. Q: How long is the Secondment for?

25. A: It is for 2years initial period of 2years.
26. MS. A. BENSOUDA: Initial period of 2 years?
27. WITNESS: Yes.
28. Q: Renewable?
29. A: Yes, it is possible.
30. Q: When did you take up this position?
31. A: In February.
32. Q: February 2017?
33. A: Yes.
34. Q: Mr. Touray your last post was in the Office of the President?
35. A: Yes, Ma.
36. Q: What was the position you held?
37. A: Secretary to the Cabinet.
38. MS. A. BENSOUDA: Secretary to cabinet?
39. WITNESS: Yes.
40. Q: How long have you worked in the Civil Service?
41. A: My first appointment into the Civil Service was 1st of October 1988.
42. Q: Take us through your career?
43. A: I was employed as an Assistant Personnel Officer at the Personnel Management Office (PMO) on the 1st of October 1988 and I stayed at the PMO for a period. I rose through the ranks to become a Deputy Permanent Secretary meaning I was Assistant Personnel Officer, Personnel Officer, Senior Personnel Officer, Principal Personnel Officer, Deputy Permanent Secretary and then when I got to the position of Deputy Permanent Secretary, I moved on to the Ministry of Tourism and Culture on posting, that was in 2005 as Deputy Permanent Secretary. And then from the Ministry of Tourism I was posted to the Ministry of Works as Deputy Permanent Secretary.
44. Q: Which year was that?
A: I don’t think I remember but I can provide the details.

MS. A. BENSOUDA: Alright.

A: That period I was still Deputy Permanent Secretary. From the Ministry of Tourism I went to the Ministry of Works and from the Ministry of Works back to Tourism and then back to Works. I had two sittings at the Ministry of Work. Then from the Ministry of Works I went back to the Ministry of Tourism as acting Permanent Secretary and then in —

WITNESS: Can I make reference to my documents?

MS. A. BENSOUDA: Certainly.

A: In March 2011, I was appointed Acting Permanent Secretary, Ministry of Tourism and Culture and on the 13th of June same year (2011), I was confirmed as Permanent Secretary Ministry of Tourism and Culture and then in April 25th 2012, I was posted to the Office of the President as Permanent Secretary.

MS. A. BENSOUDA: April 25th 2012?

A: Yes, as Permanent Secretary3 (PS3). And then on August 1st same year (2012) I was elevated to the position of Secretary to Cabinet.

Q: And that is the position you’ve held since 2012?

A: No, given the nature of things at the office it was a bit erratic so when I was from Secretary to Cabinet I was re-designated as Permanent Secretary1.

Q: What year and when?

A: This was on the 15th of November 2013.

Q: In the office of the President?

A: Yes. And then I was reappointed Secretary to Cabinet on the 22nd of January 2015 up to 22nd June 2016.

Q: It was a re-designation you said?

A: No, it was a promotion from Permanent Secretary to Secretary to Cabinet.

Q: How can it be a promotion when you had held the position earlier?
A: Because from the position of Secretary to Cabinet is higher so when you revert to PS

That would be call either a demotion or a re-designation but when you go back to the position of Secretary to Cabinet that is certainly a promotion, although I have held the position before but-

Q: So you held the position until you said when in 2016?

A: June 22nd 2016.

MS. A. BENSOUDA: Ok.

A: And then I had a problem with the former President he accused me of destroying a file

That could have been used in the prosecution of a former Minister of Petroleum. So because of That I was put behind bars for, I was in custody for about 6 (six) months and then with the dawn

Of the new Government the charges were dropped.

Q: Just for the record what was the name of this file?

A: I think he said it was the Ministry of Petroleum file.

Q: When where the charges dropped?

A: The charges were dropped in January of this year (2017).

Q: Mr. Touray you say the position of Secretary to Cabinet is more senior to PS1?

A: Yes.

Q: Could you explain, what is the structure at the office of the President Administrative Structure?

A: Yes, I can. The head of the office is the Secretary General and Head of the Civil Services and then the next most senior position is Secretary to Cabinet and it was the de-facto Deputy Secretary General. You have the Permanent Secretary1 down to Permanent Secretary 4. we had four (4) Permanent Secretary’s. At some point we had five (5) and then

From the Permanent Secretary you go down to Deputy Permanent Secretary, Deputy Permanent Secretary, Principal Assistant Secretary, Principal Assistant Secretary to Senior Assistant Secretary, Senior Assistant Secretary, Assistant Secretary that was how the Structure looks like.
104. Q: That was the hierarchy?
105. A: Yes.
106. Q: So in the absent of the Secretary General is the Secretary to Cabinet that - -
107. A: Who will over-see the office, Yes.
108. Q: What is the hierarchy among the State Guard at the Office of the President?
109. A: The Commander of the State Guard they call it the RNG (Republican National Guard).
110. It was headed by a Commander and until the time I left, the Commander was Lieutenant General Sulayman Badjie.
111. Q: So what is the hierarchy among the State Guard at the Office of the President?
112. A: The hierarchy is that you have the Republican National Guard.
113. MS. A. BENSOUDA: Republican National Guard Commander?
114. A: Yes, and that the Commander of the Republican National Guard was Lieutenant General Sulayman Badjie, then you have the State Guards they are under the RNG. The Commander of the State Guards was Brigadier General Ansuman Tambá at the time I left,
115. Q: By at the time you left you mean 22nd June 2016?
116. A: Yes the Commander of the State Guard was Brigadier General Ansuman Tamba.
117. Q: So what is the distinction between Republican National Guards and the State Guards?
118. A: I am not a Security Personnel but from my understanding the Republican National Guards they transcend beyond the State House, their operation transcend beyond the State House.
119. Q: So what was the Republican National Guard structure, you had a commander and what
120. A: I don’t know who was next to the Commander to be candid but I know the commanding officer was Lieutenant General Sulayman Badjie.
121. Q: What about the State Guard structure?
122. MS. A. BENSOUDA: Sorry lets go back to the Republican National Guard.
130. WITNESS: Yes.
131. Q: When General Sulayman Badjie was not there who acted in his position?
132. A: I don’t know to be candid but Sulayman Badjie as far as I know was hardly absent from work.
133. Q: What about the structure in the State Guard?
134. A: The State Guard was headed by Brigadier General Ansumana Tamba and if he wasn’t around then there were some Majors in the army they were there. I remember one Major Lamin Mendy I think we used to call him ML anyway. So he would oversee the office.
135. Q: Was there a Deputy Secretary to Cabinet whiles you were there?
136. A: At some point there was in fact, my career is such that I occupied quite a bit of several positions, I was myself one time Deputy Secretary to Cabinet. When I was Secretary to Cabinet I had a Deputy.
137. Q: During the period 2012 when you join the Office of the President until you left in 2016, Tell us who the Secretary Generals were?
138. A: When I got to state house the Secretary General was Dr. Njogu Bah and then I think he was replaced by Mr. Momodou Sabally and then you had Abdoulie Sallah and then you had Lamin Nyabally, Dr. Kalidu Bayo and then Mr. Sulayman Samba.
139. Q: Now you spent 4(four) years at least in the Office of the President before you left?
140. A: Yes.
141. Q: Am sure you are aware of the Terms of Reference of this Commission?
142. A: Yes.
143. MS. A. BENSOUDA: Yes, you are.
144. Q: During the period you were in the Office of the President, whom would you regard as Close Associates of the President?
145. A: I fill a witness statement and I have listed the names that I think where close Associates,
156. It’s clearly stated in the witness statement.

157. Q: Yes, but I am asking you now. You have any concerns about repeating what was in your statement?

158. A: Because given the nature of our society people react to things in different ways even if you spoke the truth somebody might see it as something else so that’s why I prefer that I put it down perhaps you can share it with the Honorable Commission Members.

159. MS. A. BENSOUDA: Mr. Touray?

160. WITNESS: Yes, Ma.

161. MS. A. BENSOUDA: I would have thought way beyond being conservative about the truth because of what anybody thinks?

162. WITNESS: Perhaps it’s just that, no Ma, with due respect I don’t think I am conservative with the truth because I have clearly spread it out in the Witness Statement unless if you insist that I repeat then perhaps I can do that.

163. MS. A. BENSOUDA: I see.

164. Q: Who was a Close Associates of the former President cannot be a matter of Confidentiality let me put it this way maybe close associates is a judgment. Who in terms of Civilians, let’s start with what you told us about the military who were there, we will come back to that. In terms of civilians who did the President deal with?

165. A: I will mention those I use to see at State House.

166. MS A. BENSOUDA: Yes.

167. WITNESS: And Actually I didn’t mention them before because you had given somebody - -

168. MS A. BENSOUDA: Whatever you said in your statement, the Commission is not privy to yet.

342. Q: Do you know of or are you aware of in any way any Business Interest he has out of the Jurisdiction?

344. Q: You would not know?

345. A: I would not know.

346. Q: Did you handle any transactions for him whiles you were in office whether as PS or as Secretary to Cabinet?

347. A: Official transaction, Yes.

348. Q: Did you handle any transaction for him?

350. Q: Is that one of the official transaction?

351. A: Yes one of them.

352. Q: This is the nature some of the official transactions, purchasing of Dunes Hotel?

353. A: Yes in others, but mostly these were the transactions that are issued through the Secretary General not directly to me. They are issued through the Secretary General and then we

354. Would carry the instruction.
MS. A. BENSOUDA: Yes, you have to speak up a little bit am having difficulty.

A: I am saying that the instructions are issued through the Secretary General. The official Instructions that I carry out were issued through the Secretary General and then we would take Action.

Q: What were you responsibilities as Secretary to Cabinet?

A: My Primary Responsibility as Secretary to Cabinet was to attend cabinet meetings, Take notes and prepare minutes of that meeting. That was my primary responsibility.

Q: Mr. Touray we have come across various Accounts operated from the Office of the President in respect of which you were signatories as well. You haven’t mentioned those?

A: No, I am saying Main.

MS. A. BENSOUDA: Ah your main responsibility.

WITNESS: That is what I said.

Q: So what are you other responsibilities?

A: The other responsibilities are, I would attend meetings on behalf of the Secretary General, I was made signatory to Accounts operated by the Office of the President.

Q: You were signatory?

A: Yes, co-signatory I was co-signatory with the Secretary General. The Secretary General Would be the main signatory and I would be the co signatory.

Q: When did you start becoming signatory to these Accounts?

A: When I was made both as Secretary to Cabinet and Permanent Secretary.

Q: Is there any Policy Document at the Office of the President, detailing who can be Signatory to an account and who should not be a signatory to an account?

A: That was decided by the former President.

Q: There was no written Policy document?

A: No, there was no Policy. In fact I have record to show that one of the Secretary’s General said he was not going to sign, he didn’t want to sign the accounts and the President...
Replied that he did not have a choice he has to sign. I have the proof here.

Q: Which Secretary General was it?

A: That was Dr. Bayo. Kalidu Bayo that the time. The minute that he sent to him to say that “He doesn’t have a choice” he has to sign I have it.

MS. A. BENSOUIDA: If you have it gives it to us?

WITNESS: Yes Ma, I will give it to you. It was cohesive he didn’t have a choice you have to Sign. I will note it down because if I have to see it through the papers - -

MS. A. BENSOUIDA: Ok, can you list it down. So the first document which you are trying to Look at is the one concerning Dunes Hotel and this one is the minute that you said you had seen Concerning Mr. Kalidu Bayo. Just take note of it.

Q: You are saying you’re a signatory because you had to be a signatory, is that what you are Saying?

A: Yes, I didn’t have a choice because I remember also that at some point in the office when He removed me from being signatory and appointed somebody else I was happy that I didn’t have To sign but that person was sad that she had to sign. We didn’t want to have anything to do with The accounts but you will not have choice.

Q: You were Permanent Secretary, you said in various positions before you finally became Permanent Secretary Office of the President, you are familiar with Financial Instructions as (FI). As PS you are Accounting Officer, when you become PS you become Accounting Officer?

A: Yes, that is correct.

Q: Now we have been told for the Office of the President, is the Secretary General who Was Accounting Officer?

A: That is correct Ma.

Q: Clearly, confirm if this is correct, there is nothing in the Financial Instructions or any Other Policies of the Government under which the Secretary to Cabinet could become signatory
To the account, is that correct?

A: No, ordinarily the Secretary to Cabinet shouldn’t be.

MS. A. BENSOUDA: Ordinarily the Secretary to Cabinet should not be signatory to the Account.

A: No, he shouldn’t be to the accounts

Q: So basically you are signatory because the President said you must be a signatory?

A: Yes Ma, that is correct.

Q: Mr. Touray we will have to take you through the various transactions in various accounts Because there are many of them that you were signatory to, right?

A: Yes, that is true.

Q: Now do you recollect the International Gateway Account?

A: Yes, I do

Q: There were two (2) International Gateway Accounts, well the same account but one Was closed and another opened. First the International Gateway Account and then you had the Vision 2016 Account?

Q: You were signatory to the International Gateway Account?

A: That is correct.

Q: What is the International Gateway Account about?

A: The account was held at the Central Bank and it lodge proceeds from the Gateway, the Telecoms Gateway that was managed at the time by a Company called TEL on behalf of GAMTEL. So proceeds from International Calls in and out would be paid into that Account

That is the nature of that account.

Q: What has that Account got to do with the Office of the President?

A: I remember that the monies were paid to GAMTEL but an instruction was issued by the Former President that an Account should be opened by the Office of the President at the
438. **Central Bank** for those monies to be lodged in because he said that he was not pleased with the
439. Way the **Funds** where managed by **GAMTEL**, I heard him say that.
440. Q: Do you happen to have a copy of that instruction?
441. A: That an account should be opened, I don’t have it here but it could be at the **Central**
442. **Bank**.
443. MS. A. BENSOUDA: No, that is fine.
444. Q: So these where **Funds** that were intended for **GAMTEL**?
445. A: Yes, that is correct. And **GAMTEL** has written severally to get money from the
446. Accounts but he would say “No” there is record to that effect. All that could be find in the files
447. At the office, if they are still there.
448. Q: Do you recollect the particular file relating to this matter and what it would be call?
449. A: It would be called the **Telecommunications** file it should be one of the White files at the
450. **Office**.
451. MS. A. BENSOUDA: The White files?
452. WITNESS: Yes.
453. Q: These are the **PRC’s files**?
454. A: Yes, Ma that is correct.
455. MS. A. BENSOUDA: Can we have exhibits CB18 please. Show it to the witness it’s a bundle
456. So let’s have the bundle here.
457. (Exhibits shown to the witness)
458. Q: Now the first transaction I would like you to explain if you can from the **International**
459. **Gateway Account** which you confirmed at the time it was been operated by **TEL** and therefore
460. Monies lodged into this account where paid in by **TEL**?
